**Scoring:** Each team may weigh up to six (6) walleye per day, only two (2) of which may be **24" or over**. If any fish shows signs of poor handling these fish WILL NOT be weighed. The weigh master will make all determinations as to the condition of each fish, as well as length and weight. Big Fish must be alive to qualify for Option Pot Big Fish of the day. Final weight is determined after any penalties have been assessed. The weigh master's decision is final. Awards of prizes will be based on the two day weight total. Winners must pass a polygraph test, at their expense, if required to do so by tournament officials. Once a participant brings fish to the scale they may not return to boat until fish are weighed and slip is signed.
